meals, travel shirts and
insurance)

**Central
Melbourne**

Save the Date

CEDC will be offering the ACYF pilgrimage in the Jubilee year for students in Year 9-12 in Catholic Schools and Parishes. ACYF will provide opportunities for participants to have a rich experience of encounter, formation, the celebration of the Sacraments, social action, dialogue, forming new connections, encountering new expressions of prayer and of course - having had a deeper encounter with Christ with other students from around Australia.

As our planning and preparations continue, we look forward to communicating further updates at regular intervals, including confirmation of costs, application processes and resources to assist you in sharing this opportunity with your community. Please mark these dates and approximate costs in your budgets.
